KELSO'S CHOICE CONFLICT MANAGEMENT FOR CHILDREN

NEW AND UPDATED FOR FALL 2011

WHAT IS KELSO'S CHOICE?

Kelso's Choice Conflict Management Curriculum is based on the premise that every child is capable of becoming a peacemaker. It is comprised of two sections for Grades K-3 and Grades 4-5. The same core concepts are taught with variation for different developmental and maturity levels.

Grades K-3 lessons are designed around Kelso the frog, while Grades 4-5 lessons use K.C.'s Wheel, incorporating images of other 4th and 5th graders. Concrete "choices" become tools for students to use when faced with small problems and is effective in increasing confidence, reducing tattling and bullying. The curriculum can be implemented schoolwide, in a classroom, in a small-group setting, or for individual counseling. ©2011
