## CAREER OPTIONS FOR WOMEN SERIES I, II, & III

Each job featured in this series can be done by either men or women; however, Career Options highlights women working in jobs traditionally done by men, mostly in trades and technology.

Filmed across Canada, it is intended to raise awareness by providing insight into a wide range of leading edge careers not typically considered by females. Each Career Options episode features three people who work in the same industry.

**FEATURE FILMS**

**Polytechnique**

Based on the true events that occurred on December 6, 1989 at Montreal's Poly-technique School, the movie tells us about that specific day through the eyes of two students. Their lives changed forever when a young man entered the school with one idea in mind: kill himself and take as many women as possible with him.  
77 min. • Gr. 9-A • 2009 • Alliance • AL110907 • \$275

**Inside Hana's Suitcase**

Inside Hana's Suitcase is the poignant story of two young children who grew up in Czechoslovakia on the eve of World War II and the terrible events that they endured just because they happened to be born Jewish.
